G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1813, be republished in General Orders.

Para. 139. Those Orders declared our determination, not to make any pecuniary advances to Officers at home, beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new Members should be occasionally republished, and being fully persuaded, that a strict observance of this Resolution, will prevent much trouble and inconvenience, besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon Furlough, of our determination upon the subject in question."

FORT ST. GEORGE, 22D JANUARY, 1828.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish in General Orders the following Report of a Committee, appointed to ascertain the proficiency of Lieutenant C. Macleod of the 42d Regiment of Native Infantry in the Hindoostannee Language.

To

The Secretary to Government in the Military Department.

SIR,

We have the honor to report for the information of the Government that, in conformity with the instructions contained in your Letter of the 28th Ultimo, we have examined Lieutenant Macleod of the 42d Regiment N. I. with regard to his proficiency in the Hindoostannee Language.

Two Extracts from the Achlah-al-Mhosani, were translated by Lieutenant Macleod into English with considerable accuracy, although in two or three instances, the exactly corresponding terms were not given.

In the more difficult undertaking of translating from English into Hindoostannee, there was, as might be expected a larger field for remark. We detected a few misspellings, the hand writing was not particularly good, and there were some trifling mistakes of gender. The general execution however was very good, the choice of words exceedingly happy, and the tenor of the style, both elegant and idiomatic.

A Common Urzee or Petition which was given to Lieutenant Macleod for perusal, was read at sight with great facility, and in the colloquial part of the examination we were much pleased with his readiness of expression and correctness of pronunciation.

After these observations, it is scarcely necessary to add that the general result of the examination, has been exceedingly satisfactory, and that we consider Lieutenant Macleod perfectly qualified to execute the duties of a Translator or Interpreter whenever required from him by the Public Service.

We have the honor to be,
SIR,
Your most obedient Servants,

MADRAS,

7th. The Quarter Master Serjeant of a Regiment with the Lascars attached to the Stores are considered to be sufficient for the duties required of them, and the Commander in Chief again repeats, that he will not suffer the employment of an Effective Soldier otherwise than as his duty requires him ; and all Individuals now attached to the Stores of Regiments, or in the performance of any other than their Military duties be ordered forthwith to rejoin their Troops and Companies, and His Excellency desires it to be distinctly understood, that this order is equally applicable to Regiments of Cavalry, Battalions and Brigades of Artillery as well as to the Regiments of Infantry on this Establishment.

No. 30.

FORT ST. GEORGE, 8TH FEBRUARY, 1828.

G. O. BY GOVERNMENT.

The Honorable the Court of Directors having determined that not more than five Officers shall be simultaneously absent on Staff employment from any one Corps, whether Cavalry or Infantry; The Right Honorable the Governor in Council is pleased to publish the following Regulations to give effect to the orders of the Honorable Court from this date.

The number of Regimental Captains that may be absent at one time from the same Corps of the Line on Staff, or other public permanent employ, is restricted to two and to obviate all occasion for reference hereafter, it is directed, that when two Captains are absent from a Corps in public situations, and a Subaltern Officer of the same Corps holding also a detached Staff situation, be promoted to the rank of Regimental Captain, the Officer so promoted shall be the individual to vacate his appointment, under the operation of these Orders, which are to be *prospective*, and are not intended to affect the present incumbents of the grade of Captain, unless in such cases of emergency as His Excellency the Commander in Chief may bring to the notice of Government.

The Right Honorable the Governor in Council has further determined, that when an Escort with a Resident at a Foreign Court or with a Political Agent, is furnished from Troops of the Line, or fixed establishment, the Services of a distinct Officer permanently appropriated to the Command of such Escort are unnecessary.

Under the circumstances adverted to above when the Escort, or Guard, furnished to a Resident or Political Agent, is relieved weekly from the Regular Troops cantoned in the immediate vicinity of the Residency, no necessity will exist for detaching a European Officer from his Corps on a tour of duty with it, but when the Garrison or Cantonment, from which the relief is effected is so distant as to render a monthly or longer tour of duty more convenient than a weekly one, the Officer Commanding the Division or the Troops from which the Escort is furnished, will consider it *to be his duty* to meet the wishes of the Resident or Political Agent for the uninterrupted employment of any Regimental Officer (who has served three years with his Corps) on such duty, whilst his Regiment may continue in the Division or at the Station giving the Escort.

The arrangement described in the foregoing paragraphs are prospective, and are not intended to affect Officers Commanding permanent Escorts composed of Men unconnected with the regular Service; from their operation will also be exempted, Escorts whether composed of Troops of the Line, or otherwise, which may be furnished for Missions or occasional Embassies to Foreign Courts beyond the limits of India proper.

By order of the Right Honorable the Governor in Council.

(Signed) R. CLIVE,
Chief Secretary.

At a General Court Martial held at Belgaum, on the 3d day of January 1828, and continued by adjournments to the 29th of the same month, Lieutenant Josiah Eyles Deere of His Majesty's 41st Regiment of Foot, was arraigned on the following Charge, viz.

Charge preferred against Lieutenant Josiah Eyles Deere, of His Majesty's 41st Regiment.

Charge.—For placing himself in a state of intoxication, at a Gate of the Palace of Kolapoor on the 17th October 1827, and then forgetful of the liberality which should distinguish a British Officer towards a fallen Prince, using a demeanour and language highly insulting to the Rajah of that Country and his people, particularly in applying to him the word "Banchoot," such conduct endangering the public peace and being highly unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and Military Discipline.

Upon which Charge the Court came to the following decision.

The Court having most maturely weighed, and considered the whole of the Evidence brought forward in support of the prosecution, as well as what the Prisoner Lieutenant Josiah Eyles Deere of His Majesty's 41st Regiment, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding.—That the Prisoner is guilty of placing himself at a Gate of the Palace of Kolapoor, on the 17th October 1827; and then forgetful of the liberality which should distinguish a British Officer towards a fallen Prince, using a demeanour and language highly insulting to the Rajah of that Country and his people, particularly in applying to him the word "Banchoot," such conduct endangering the public peace, and being highly unbecoming the character of an Officer, and to the prejudice of good order and Military Discipline; but the Court is of opinion that the Prisoner is not guilty of any other part of the Charge.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Lieutenant Josiah Eyles Deere of His Majesty's 41st Regiment, to lose two steps in his Regiment, by being placed immediately below the two Lieutenants, who at present stand next to him, and having his Commission in His Majesty's 41st Regiment, dated one day after the date of the Regimental Commission of Lieutenant John Smith of the same Regiment.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General.

The Court have recommended the Prisoner on account of his Bravery.—This quality unaccompanied with the generosity which should be the characteristic of the British Soldier towards the unfortunate can entitle him to little credit with the Lieutenant General—and so little has the Prisoner known the value of the latter, that not satisfied with being simply reprimanded by the Officer in Command for the gross conduct of which he has been now convicted, but as if doubting of a proper feeling existing elsewhere, he himself called for and dared the Sentence of a Court Martial—It is necessary—then when men are not endowed with proper feeling, that they be taught at least to respect public opinion—This sentence must be carried into execution, and though lenient, it is to be hoped, it will be sufficient to mark what is expected from a British Officer.

(Signed) G. T. WALKER, Lieut. General.

The Prisoner Lieutenant Deere is to be released from arrest and will return to his duty.

19TH FEBRUARY, 1828.

Captain Thomas Locke is removed from doing duty with the Seringapatam Local Battalion, and will join the Detachment of the 2d Native Veteran Battalion at Cuddalore.

FORT ST. GEORGE, 4TH MARCH, 1828.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council, with a view to guard against the premature transfer of Native Officers to the Invalid and Pension Lists, which has recently been the case to a great degree, and evidently to the detriment of the Service, is pleased to cancel those parts of the Regulations under the head of "Invaliding and Pensioning," which authorize Native Commissioned Officers being brought before Committees for examination and transfer from the Effective Establishment, and to direct, that the following Rules which are intended to afford a suitable check on recommendations for the transfer of Native Officers to the Non Effective Lists, shall be established.

1. When a Native Officer may from wounds, length of Service, or ill health be considered unfit for the performance of his duties, the Commanding Officers of Regiments will prepare a full and special report of such case (giving a descriptive Register Roll of the Individual in the Margin of his letter) and forward it to the Adjutant General of the Army for submission to the Commander in Chief, who will recommend to Government to dispose of the Individual by transfer, either to the Invalid or Pension List as may appear to His Excellency the fittest provision from the state of health, the services, and character of the Native Officer.

2. The recommendation of the Commanding Officer must state particularly, whether the Individual brought to notice is capable of the performance of Garrison duty or otherwise, and is always to be accompanied by a Medical Certificate and Statement of the case, which is in all practicable instances to be countersigned by the Superintending Surgeon of the Division or Force, or the Senior Surgeon of the Station; and also by a testimonial of character in like manner as obtains with respect to European Officers—No Native Officer will be transferred to the Invalid List who is not entitled from his services and character for general respectability to enjoy such a privilege.

The Commander in Chief is requested to issue such further instructions for giving effect to the above Regulation as His Excellency may consider necessary.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

29TH FEBRUARY, 1828.

A recent instance having occurred of the misapplication of the intent and meaning of Sect. XXVI. 4 Geo. IV. Cap. 81. by admitting a Person of the lowest Cast to give Evidence, before a Court Martial, *not upon Oath*, His Excellency the Commander in Chief has to call the attention of Courts Martial, hereafter, to the wording of the Act in question and to point out to them that *Solemn Declarations* of Witnesses are only to be admitted as "*circumstances may require*," and are intended to apply to the case of Hindoos of high cast, who from their particular tenets, are incapable of *conscientiously* taking an Oath and would consequently become discredited Witnesses, if compelled to do so against their conscience.—The circumstances influencing a Court to admit a solemn declaration instead of an Oath should always be fully, and explicitly stated upon the record of the Proceedings, and the admission should be founded upon the special application of the Witness and satisfactory proof of his Cast.

The Form of Solemn Declaration employed, in like cases by Civil Courts of Criminal Jurisdiction, under this Presidency, is herewith published for general information and guidance.

"I will true and perfect answer make to all such questions as shall be put to me, touching the matter now before the Court, betwixt the parties A. and B., which shall be the truth, the whole truth, and nothing but the truth, if I declare any thing not warranted by the truth, or conceal any part thereof, I shall be deserving of punishment from Almighty God; and if I break this declaration, I acknowledge myself to be as guilty as if I had killed a Bramin or slain a Cow on the banks of the Ganges at Causeed."

Apothecaries Rooney and Mathews, will join and afford Medical Aid to the Detachments of Artillery and Public Followers attached, proceeding from St. Thomas's Mount to Secunderabad and Bangalore, respectively.

1ST MARCH, 1828.

2d Lieutenants W. C. Gordon and T. A. C. Godfrey of the Artillery, are posted to the 3d Battalion of that Corps.

3D MARCH, 1828.

The following Extracts from the Proceedings of an European General Court Martial held at Penang on the 29th day of January 1828, by order of Lieutenant Colonel Snow, C. B. Commanding the Madras Troops, serving under the Government of Fort Cornwallis, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges preferred by me against Lieutenant Brooshooft, Quarter Master, Interpreter, and Paymaster, 35th Regiment Madras Native Infantry.

1st Charge.—For repeated neglect of duty, disobedience of orders and subversion of Military Discipline, particularly in the following instances.

First.—For entrusting the Keys of the Regimental Cash Chest to the Vakeel of the Regiment, thereby causing a deficiency in the Regimental Cash Chest of about (673) six hundred and seventy three Rupees being Compensation Money in lieu of Rice due to the Men of the 35th Regiment Native Infantry.

Secondly.—For not making out a Roll of the Family Certificates agreeably to positive orders conveyed to him on board the Transport "Cambridge" during the passage from Madras to Penang, until reprimanded in Regimental Orders and made to report daily, and send in the number furnished.

Thirdly.—For frequent neglect of duty, as recorded in Regimental Orders, and letters sent to him more particularly in the Family Certificate Department of his duties.

2d Charge.—For irregular and unofficer-like conduct in withdrawing his own personal Family Certificate without my knowledge, or sanction, thereby tending to deceive me, and render the Accounts with the Superintendent of Family Payments confused.

3d Charge.—For breach of the Articles of War in misapplying Public Money entrusted to his Charge in the following instance, viz. Not depositing in Regimental Cash Chest agreeably to orders the amount of his Family Certificate after he had written to have it discontinued, thereby making me responsible for any Retrenchments that might be sent in, by the Superintendent of Family Payments on that account.

PRINCE OF WALES ISLAND, 25th *January*, 1828.

(Signed) H. W. SALE, Lieut. Colonel,
Commanding 35th Regt. N. I.

(Signed) SAMUEL HICKS, Lieut.
Acting Deputy Assistant Adjutant General.

The Court having duly considered the Evidence that has come before it both on the Prosecution and Defence, come to the following decision.

That the Prisoner is guilty of the 1st Charge and the three Counts mentioned therein, but as the money deficient in the Cash Chest has been refunded by the Prisoner agreeable to the letter of His Excellency the Commander in Chief and the Prisoner has received censure for the same, the Court conceive they cannot legally award any further punishment and are also of the same opinion in respect to the 2d and 3d Counts as he has been frequently reprimanded in Regiment Orders, and letters sent to him by the Commanding Officer.

In respect to the 2d Charge, the Court find him guilty of irregular conduct in the manner of withdrawing his own personal Family Certificates tending to render the accounts with the Superintendent of Family Payments confused, but acquit him of every other part of the Charge.

In respect to the 3d Charge, the Court find the Prisoner guilty of not depositing in the Regimental Cash Chest the amount of his Family Certificates, after he had written to have them stopped, although ordered, but acquit him of every other part of the Charge.

The Court having found the Prisoner so far guilty of the Charges laid to him, do sentence him Lieutenant Brooshooft, Quarter Master, Interpreter and Paymaster, of the 35th Regiment M. N. I. to be removed from his Regimental Staff Appointments as Quarter Master, Interpreter, and Paymaster.

(Signed) R. J. NIXON, Lieutenant,
Offg. Deputy Judge Advocate General.

(Signed) F. BROWNE, Major,
25th Regiment N. I. President.

Though I approve of the opinion and finding of the Court, I am constrained to refuse my confirmation of the Sentence as it is not legal—A Court Martial having no power to dismiss from a Staff Appointment.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

Remarks by the Commander in Chief.

The Commander in Chief cannot allow the Trial of Lieutenant Brooshooft to pass without the comment called for by the extreme degree of irregularity and carelessness which has throughout characterized the Proceedings thereon.

The Charges are confused and irregular and should never have been sanctioned by the Officer directing the assembly of the Court, they are all without any specification of date whatsoever, and although the third Charge professes to specify particular instances of neglect of duty, yet in the third Count it contains an unspecified and general accusation of frequent neglect of duty.

The first Count of the first Charge alludes to a circumstance previously disposed of and for which the Prisoner had atoned by refunding the Money deficient in the Regimental Cash Chest and by undergoing the censure of the Head of the Army. The second and third Counts refer to neglects which are avowed in the Counts themselves to have been noticed by *reprimand* in Regimental Orders and were consequently no longer legitimate subjects for complaint against the Prisoner.—The Charges are also by an unpardonable neglect falsified in the Record wherein they appear to bear the countersignature of the Public Staff Officer which is not affixed to the original Charges themselves.

As naturally consequent upon the vague and unspecific nature of the Charges, the examinations of Witnesses have been conducted in a confused and unusual mode, and the questions put upon Examination in Chief have been necessarily almost without exception *leading questions*, for where dates were wanting how could facts of so general a description be deposed to unless actually suggested to Witnesses in the first instance?

The great bulk of documentary Evidence adduced is illegal, Copies of Letters having been admitted when the originals might have been produced (or at any rate, when there was not any proof to the contrary.) On the Defence upon the third Charge several original letters of the Prisoner are admitted without proof of any kind, as also an unsigned extract of a letter and an unattested Copy of a letter from a third Party.

These illegalities and irregularities vitiating to a great degree the Proceedings of the Court combined with the consideration of the delay of communication with Penang have influenced the Commander in Chief to refrain from sending back for revision a Sentence beyond the competence of the Court to award. He trusts however, that the Officer Commanding the Troops under the Government of Fort Cornwallis will hereafter refuse his furtherance to any Charges made out without due specification of Facts, Time and Place, and that Officers in general will qualify themselves as Members of Courts Martial by making themselves acquainted with the common Rules of Evidence, so that the ends of Justice may not be defeated by want of information in those whose especial duty it is to uphold the Discipline of the Army by the due and correct Administration of Military Law in cases requiring its application.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

Lieutenant Brooshooft is released from arrest and will return to his duty.

6TH MARCH, 1828.

In consequence of the vague and irregular opinions that have occasionally been acted upon in cases where a Prisoner has determined to plead Guilty; the Commander in Chief, in conformity with the practice prevalent at the Horse Guards, directs that, in future, upon all Trials by Courts Martial, in this Army, an *express* plea of *Guilty* or *Not Guilty* shall not be required of the Prisoner; but that the latter shall be *presumed* as the most favorable to the accused. When called upon to enter on his Defence the Prisoner will still have the opportunity, if he knows himself guilty of avowing his Offence, and throwing himself upon the mercy of his Judges or on the other hand, of offering circumstances in *extenuation*, or of bringing forward Evidence to refute the Charge adduced against him as he may think best.

Courts Martial are also required to record on their Proceedings every material point in which they have acted *solely* upon the legal opinion of the Judge Advocate; as well as every protest on his part against what he may consider an illegal proceeding; in which the Court may think proper to persevere; and it will be considered his especial duty so to protest, by which means the question will come regularly before the Commander in Chief for ultimate decision and the responsibility, on so important a point will rest where it ought.

Ensign Richard Stewart Dobbs, is removed from doing duty with the 16th Regiment Native Infantry, and posted to the 29th Regiment Native Infantry, in which Corps he will rank next below Ensign J. Hogarth.

Ensign W. A. Mackenzie, recently arrived and promoted, is appointed to do duty with the 16th Regiment Native Infantry, until further orders.

It has been hitherto too commonly the practice for a Native Officer to be recommended for transfer to the Invalid List, when his Services must be considered useful, for although he may not be sufficiently active for Parade and duties in the Field, yet his presence with a Regiment should be duly estimated from his experience and knowledge of the Service, qualities which must be always advantageous to the younger Soldiers of a Corps.

The above being a series of infamous conduct, and subversive of good order and Military Discipline.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Although the Court Martial held on Shaikh Ally, Subadar of the 46th Regiment Native Infantry, has done its duty in the opinion and Sentence it has given, it is with considerable regret that the Commander in Chief finds attached thereto a Recommendation that would confound all moral principle; a Recommendation in favor of one convicted of a Crime that would not only deprive a European of his Commission, but drive him out of the Society of Gentlemen ever after; must it be necessary to tell the Native Officers that in the honorable Posts they hold, they also cannot be permitted to associate with one who has disgraced and dishonored himself by fraud and falsehood, that by such an association they would themselves be considered tainted? The Commander in Chief trusts that all those who justly reflect will see, that, when the Officers of an Army are not governed by honorable principles, nothing can be expected from the Privates, and that on an Army so constructed no dependance can be had. It is then the duty of the Commander in Chief to uphold among the Native Officers that high character which they have inherited from their Predecessors, and heretofore maintained by their own deeds, and much as he may lament the misfortune to which the Prisoner has reduced himself by his Crime, he must distinctly oppose all recommendation that would again place him in the Society of the honest and the honorable; and that every one may justly appreciate the value of truth and honor, and be made sensible that they are words which never can be separated. It is hereby directed that the Remarks made by the Commander in Chief, on the Trial of Jemadar Samanah of the 37th Regiment Native Infantry, of August 22d last year, may again be read aloud to every Regiment in the Service, immediately following these, and distinctly explained by every Officer to his Company—Let it then be thoroughly understood that a want of truth must be considered a want of honor, and that a character thus degraded can never be allowed to associate with the Native Officers of this Army.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

21st MARCH, 1828.

The General Court Martial assembled in Fort St. George, of which Lieutenant Colonel C. Hopkinson, C. B. of Artillery is President, is dissolved.

Upon which Charges the Court came to the following decision.

"The Court having most maturely weighed and considered the whole of the Evidence brought "forward in support of the Prosecution, as well as what the Prisoner Matthew Heaphy, hath urged in his "defence, and the Evidence in support thereof, is of opinion."

Finding on 1st Instance.—"That the Prisoner is guilty of the 1st Instance of the Charge."
Finding on 2d Instance.—"That the Prisoner is guilty of the 2d Instance of the Charge."
Finding on 3d Instance.—"That the Prisoner is guilty of the 3d Instance of the Charge."

MADRAS, *12th March*, 1828.

(Signed) G. T. WALKER, *Lieutenant General.*

It is not but with the deepest concern the Lieutenant General finds himself compelled by his duty to confirm a Sentence that would deprive a fellow creature of existence, and that too an old Soldier of 24 years Service. But the grossness of the act, clearly proved as it is, and marked by the unrelenting barbarity, evinced by the Prisoner in the subsequent declaration of his intention, is such as to demand example. Nor must future Offenders be allowed to hope that Intoxication can be allowed to be pleaded as an excuse for Murder, or indeed for any Crime. A habit of Drunkenness is always an evil great enough in itself, but leading as it frequently does either immediately or in its consequences to the commission of all crimes—let this example stand to young men as a warning on the very onset against excess; but when the habit of it has gained ground, and the judgment already weakened by it, tempts the man, as in this instance, while under the influence of Intoxication, to deeds of Horror, which his better judgment when

sober would make him shudder at—Let that man beware—Let him recollect that every Dram he voluntarily partakes of is a poison involving the risk, not only of his own life, but that of others, and that he thus places himself in a state little better than that of a Mad Dog, against whom every hand is licensed to be raised. How then can such a case be admitted to excuse the consequences which must naturally result from it.

While, however, the Lieutenant General cannot admit the slightest excuse for a Prisoner under such circumstances, he cannot but be struck by an observation made in his defence, which it is right that his Regiment, that the Service at large should reflect upon, viz.

"It is to be regretted, but particularly so by myself, that from the negligence of the Non-" "Commissioned Officers, a Soldier is allowed to drink to excess for a number of days, without being" "placed under restraint; had I been confined some days previous to the 7th of January, the Court would" "not have had the trouble to meet on my account. Many Crimes may be prevented, and it would be a" "charity to the Soldier, if, instead of allowing a Drunken Man to roam at large, he was lodged in a secure" "place until perfectly sober." It is, however, with the deepest regret the Lieutenant General cannot here confine the blame to *Non-Commissioned* Officers alone. It is the duty of *Commissioned* Officers to be assured that such duty *is done*, and unfortunately the number of Courts Martial, (no less than 92! ! !) that have taken place in His Majesty's 30th Regiment between the last two Inspections, stand up in strong and dreadful Evidence against a due Execution on the part of its Officers to prevent Crime, and of failure in the necessary aid, which their Commanding Officer had a right to expect at their hands.

An early and due attention to these duties might and probably would have prevented the Crime of which the Prisoner has been found guilty---Let not the Prisoner, however, or other Drunkards of the same class, flatter themselves on that account their Crimes are the less deserving Punishment, as every man is and must be answerable for his own—nor can the Lieutenant General regard them with less horror, although from the previous Service of 24 Years rendered to his Country by the Prisoner, he is induced to commute the Punishment of Death, to which he is justly sentenced into that of Transportation beyond Seas for the term of his Natural Life---hereby approving and confirming the opinion and Sentence.

MADRAS, 12th March, 1828. (Signed) G. T. WALKER, *Lieutenant General.*

No. 74.

FORT ST. GEORGE, 1ST APRIL, 1828.

G. O. BY GOVERNMENT.

Several recent instances having occurred of prolonged absence from their Commands, of Officers Commanding Divisions of the Army, in consequence of which, it has been found necessary to nominate Officers to perform their duties, the Right Honorable the Governor in Council deems it expedient to direct that, on all occasions of absence of General Officers on the Staff, (when not occasioned by public duty,) the extra charges arising therefrom shall be deducted from their allowances, with exception of those payable on a new appointment to the Officer previously in Command, for the interval prior to the notification reaching his Head Quarters.

Previously, however, to any temporary appointment taking place, by which a General Officer on the Staff may become subject to a loss of allowances, the case is to be submitted for the sanction of Government.

On receipt at Division Head Quarters of the General Order or other official notification of the appointment of a General Officer on the Staff to such Command, the Officer who had been previously in Command is to consider himself as relieved, unless otherwise ordered by Government, and the usual reports are to be made by Officers Commanding Stations to the Staff of the Division for the information of the Officer newly appointed who is in all such cases to issue the requisite orders for conducting the duties until his arrival.

The above provisions to be considered *in all respects*, applicable to Officers under the rank of Major Generals, when holding Division Commands whether on the Staff or otherwise—but in the latter case, (the Officer not being on the Staff,) the new Regulation cannot apply until he joins the Head Quarters of his Division, being the date on which his Command allowances (those laid down in the 20th Paragraph General Orders 3d December 1824) commence.

On occasions of temporary Command, in the absence of Officers Commanding Divisions, the Officers succeeding thereto, are to exercise the Command both of the Head Quarter Station, and the Division, except when ordered on tours of duty, when the temporary Command of the Head Quarter Station must devolve on the next Senior Officer.

The above Regulations to be considered as cancelling the General Order by Government No. 257, dated the 28th December last, regarding the allowances of Officers Commanding Divisions of the Army.

By order of the Right Honorable the Governor in Council.

Acting Secretary to Government.

The Garrison Establishment is to be drawn for all Corps stationary in Cantonments including the Subsidiary Force at Nagpoor, the Light Field Division at Jaulnah and the Field Force at Kulladghee. The Field Establishment is only to be drawn when specially authorized under the orders of the Military Board.

The Table No. 6, Page 83, of the Ordnance Regulations is cancelled, and the additional Artificers at present allowed to Detachments are to be discontinued.

When a Detachment is ordered from a Corps it will be discretionary with the Commanding Officers to direct a proportion of the Artificers to move with it, but if from the particular distribution of a Regiment into Detachments, the established number shall not be found sufficient, the circumstances of the case are to be reported to the Military Board, in order that such temporary assistance may be authorized as shall be deemed requisite.

The Establishment of Artificers at present allowed to the Carnatic European Veteran Battalion, is to be discontinued. The Arms will be repaired in the General Store Department at the places where they may be stationed.

When repairs are required to be made to the Arms of a Detachment at an Ordnance Station, they shall be executed in General Store, and an Indent particularly specifying the nature of the work is to be countersigned by the Officer Commanding the Station, as the Commissary's authority for executing the work.

The Monthly Allowance to be drawn by the Native Veteran Battalions for keeping the Arms in repair and preserving the Colour is fixed at 6 Rupees per Mensem for every hundred Men, on the strength of each Corps, the allowance to be drawn by the Adjutant who is to provide for the repair of the Arms of all Detachments.

The allowance thereto granted for preserving the Colour of browned Arms is discontinued to all Corps of His Majesty's as well as the Honorable Company's Service, the Monthly allowance for materials laid down in Table No. 2, being considered as amply providing for every expense including the browning of the Arms which may be incurred on that account.

In consequence of the particular nature of the duties on which the Pioneers are employed, the Detachments of that Corps will retain the same number of Artificers as at present allowed.

This Order will have effect from the 1st Proximo with the following exceptions.

The Establishments at Gooty and Berhampoor to be discharged as soon as the Stores can be removed, which the Military Board will effect at the earliest period reporting the same to the Military Auditor General.

The Supernumerary Lascars to be discharged on the 30th Instant, with a Donation of one Month's Pay to each. The Serangs, and 1st and 2d Tindals extra to the Establishments to be continued as Supernumeraries and brought on the strength of Companies as vacancies may occur.

Such Lascars as are now discharged will have a prior claim for admission into the Service, and on their re-enlistment they will be allowed to calculate their original periods of Service.

By order of the Right Honorable the Governor in Council.

Chief Secretary.

The following Extracts from the Confirmed Proceedings of an European General Court Martial held at Masulipatam on Thursday the 20th day of March 1828, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Lieutenant Montagu Ross Taynton of the 1st European Regiment of Infantry, placed in arrest and charged with conduct to the prejudice of good order and Military Discipline, in the following instances.

I.—In disobeying Orders, by absenting himself from his Quarters, without Leave, when on the Sick List, on the night of the 9th and the evening of the 10th January 1828.

II.—In asserting, at Masulipatam, on or about the 10th of January 1828, that "there would be a Row at the Mess," or words to that effect; and, afterwards, on or about the fourteenth of the same month, denying he had ever said so; and, furthermore saying that "he would be a witness for Lieutenant Manning and against Captain Sargent, if it come to a Court Martial," or words to that effect, and drawing a dishonorable distinction between the Oath and the Word of a Gentleman.

III.—In questioning, at Masulipatam, on or about the 14th of January 1828, the authority of me, his immediate Commanding Officer, to order him to the Quarters of a Junior Officer to himself; such Junior Officer being at the time the Acting Adjutant of the Regiment.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant Montagu Ross Taynton hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge.—That he is guilty.

Finding on the Second Charge.—The Court is of opinion that the Prisoner is not guilty of "asserting, at Masulipatam, on or about the 10th of January 1828 that "there would be a Row at the Mess," or words to that effect; and, afterwards, on or about the 14th of the same month, denying he had ever said so." The Court further finds that the Prisoner did say "that he would be a witness for Lieutenant Manning and against Captain Sargent, if it came to a Court Martial or words to that effect," as stated in the Charge; but attaches no criminality to that expression. With regard to the last clause of the Charge the Court finds that the Prisoner did draw a distinction between the Oath and Word of a Gentleman; but the Court does not consider that distinction dishonorable; and, therefore, fully acquits him of all criminality thereon.

Finding on the Third Charge.—Not guilty.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Lieutenant Montagu Ross Taynton, to be *admonished* by His Excellency the Commander in Chief, in such manner as he may deem proper.

(Signed) R. L. HIGHMOOR, Depy. Judge Adv. General.
(Signed) M. L. PEREIRA, Lieut. Col. and President.

Approved and Confirmed.
(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Lieutenant Taynton is hereby admonished to be in future more attentive to the orders of his Commanding Officer; he is to be informed that the flippancy of the language employed in his defence was disrespectful to the solemnity of the Court before which he appeared; but it is more particularly recommended to him to be in future more careful of the expressions he employs upon so delicate a distinction as that between his word and his oath; for though, in our happy Country, *all* are equal in the eye of the law, and it is therefore necessary, as God the searcher of human hearts can alone distinguish between the worthy and the worthles, that *all*, from the Gentlemen to the Boor, should be equally subject to the oath; Truth is, not the less imperative on the Gentleman; and he cannot claim the character, if, in his conscience, he does not acknowledge the sanctity of this emanation of the Divinity. The Commander in Chief trusts that this is the feeling that *will* guide Lieutenant Taynton: and, after this is read to him in presence of the Officers of his Regiment, he is to be released from Arrest.

The Commander in Chief cannot, however, pass over this case without expressing his regret, that it is one more added to the many that have already come before him where proper investigation on the part of the Commanding Officer might have prevented the inconvenience and disgrace of a public trial; as he cannot persuade himself that the paternal feeling which *should* actuate an Officer, under whose protection the morals, comforts and happiness of so many are placed, could have thought it necessary or proper, on such Evidence, to demand a Court Martial.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The above Crime, Sentence, and General Order, to be read in the presence of the Officers of every Regiment in the Service.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Bangalore, on Thursday the fourteenth day of February, in the year of our Lord 1828, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief of the Forces serving under the Presidency of Fort St. George; and continued by adjournments until Tuesday the Eleventh day of March, in the Year of our Lord 1828, is published to the Army.

Charge against Private William Boag of the Grenadier Company of the Royal Regiment.

HEAD QUARTERS: MADRAS, 3d *March*, 1828.
(Signed) R. TORRENS, Lieut. Col. D. A. G. His Majesty's Forces.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner William Boag, hath urged in his defence, and the Evidence in support thereof is of opinion.

Finding.—That the Prisoner is guilty.

Revised Sentence.—The Court having found the Prisoner guilty, doth Sentence him the said Private William Boag, of His Majesty's Royal Regiment, to be hanged by the neck until he is dead.

C. B. and K. T. S. Commander in Chief, and continued by adjournments to Tuesday the 25th day of March 1828, is published to the Army.

Lieutenant and Quarter Master William John Manning, of the 1st European Regiment of Infantry, placed in arrest and charged with conduct to the prejudice of good order and Military Discipline, in the following instances.

Charges I.—In unjustifiably accusing Captain Henry Sargent, of the 41st Regiment of Native Infantry, of spreading false Reports; and in otherwise using violent and insulting language, to the said Captain Henry Sargent his superior Officer, at Masulipatam, at the Regimental Mess Table, on or about the 11th January 1828.

II.—In unjustifiably accusing the said Captain Henry Sargent of circulating "a most malignant

and false Report," in an Official Letter, addressed to the Adjutant of the 1st European Regiment, and dated at Masulipatam, on the 11th of January 1828.

MASULIPATAM, 24th January, 1828.

(Signed) G. WAUGH, Lieut. Col.
Comg. 1st European Regiment.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Lieutenant and Quarter Master William John Manning, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty, with the exception of the words " and in otherwise using violent and insulting language to the said Captain Henry Sargent ;" of which part the Court acquits him.

Finding on the Second Charge.—Guilty.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Lieutenant and Quarter Master William John Manning, of the 1st European Regiment, to be suspended from Rank and Pay for the period of Six Calendar Months, from such date as His Excellency the Commander in Chief may please to direct.

(Signed) R. L. HIGHMOOR,
Deputy Judge Advocate General.

(Signed) M. L. PEREIRA, Lieut. Col.
and President.

Approved and Confirmed ; but, taking into consideration the whole of the case, The Commander in Chief remits the Suspension, and orders Lieutenant Manning to be released and to return to his duty of Lieutenant.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Though Lieutenant Manning has been convicted of accusing Captain Sargent of spreading a *false* report of the nature of a reprimand he had received from superior authority, it nevertheless appears in Evidence that that Officer had allowed himself to express an *exaggerated* opinion, (of that reprimand,) which it was natural Lieutenant Manning should consider offensive. With respect to the 2d Charge, of writing a letter to the same effect, some allowance must be made on the same ground ; especially as it was necessary to assign a reason for the request therein made. It does not appear why, under such circumstances, the request should have been refused ; especially as by furnishing Copy of so much of the Memorandum as related to Lieutenant Manning, opportunity would have been given to him for due consideration of the extent of the displeasure of the Commander in Chief, which does not appear to have been understood either by himself or others ; with whom also it would have cleared up the report in circulation. At all events, the Adjutant, in giving publication to this letter, does not appear to have taken the means he ought to have done for keeping peace in the circle in which a judicious and good Adjutant would prove so important a Member. Upon full consideration, then, of the whole of the Evidence ; the Commander in Chief, (though he thinks the intemperance of Lieutenant Manning's expressions should not go without punishment,) would have deemed the exposure to this Court Martial a sufficient warning for his future conduct, and have forgiven him the punishment awarded ; but, when he finds this Officer so little impressed with the remarks made on former misconduct, that he neither appreciates their force, comprehends their meaning, or even recollects their terms ; when, in his address to the Court, instead of confining himself to a modest defence of his own conduct, he takes up its time with a long and violent attack upon the conduct of his Commanding Officer ; which, if true, he must know he could only address with propriety to the Officer in Command of the Division ; and that the Court could have no right to listen to, much less to apply a remedy to, what he complained of :—the Commander in Chief must reluctantly come to the conclusion that it is necessary Lieutenant Manning be taught to submission and more respect to his superiors ; and that, till he has his mind under better discipline, he is not fit for the duties of a Staff Officer of his Corps : and he must therefore recommend another Officer for the Quarter Mastership ; and he is hereby ordered to be released and to return to his duty as Lieutenant.

The Commander in Chief cannot, however, close his observations, without again calling, upon Members of Courts Martial to reject all irrelevant and improper Evidence ; much of which has appeared in these Proceedings ; and he must further tell them that it is illegal to allow any thing to be said in defence, against a superior Officer, not before the Court ; were there not even a sufficiently forcible reason for rejecting it, from the injustice of allowing *any* Man to be attacked, where he has not the means of justification. Much blame from this neglect must then attach to this Court ; and still more to the Deputy Judge Advocate General, with whom it was not only a neglect but a disobedience of Orders not to protest against it : and both, it is hoped, will see with regret how much the case of the Prisoner has been injured by it.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The General Court Martial directed to assemble at Masulipatam in General Orders of the 31st January last, and of which Lieutenant Colonel M. L. Pereira is President, is dissolved.

Kamptee, 25th March 1828, appointing Gunner John Harris of the A Troop 1st Brigade of Horse Artillery, to the temporary charge of the Cells at Seetabuldee until further orders, is confirmed.

12TH APRIL, 1828.

The Commander in Chief has remarked, with deep regret, the progressive increase of the degrading and demoralizing vice of Drunkenness, in the Native Army; which has so unaccountably and unexpectedly sprung up in its Ranks of late years.

In all Countries, and in all Armies, the practice of Drunkenness has been branded with disgrace and contempt; and Articles of War and other Regulations have provided specific and severe punishment for those addicted to it:—but how especially culpable must the Drunkard be, and how hopeless his reform, in a Country and in an Army where, from the habits of his Forefathers and the Tenets of his Religion, Drunkenness is not merely *disreputable* and *contemptible*, but *infamous* and *impious*;—where, once convicted of a single instance of excess, he must, inevitably and for ever, forfeit the respect, the regard, and the society of his Comrades.

His Excellency has yet another cause for regret. In other Armies, this shameful vice is usually confined to the *lower* Ranks and to the dissipated and incorrigible of them even: but in the Native Army of Fort St. George, Drunkenness is not *peculiar* to the lower orders, and to the profligate in habits and cast; but, too often, attaches to those whom respectability of connexion and elevated Rank should place altogether beyond its influence.

It is indeed equally to be wondered at and lamented that those who have won preferment by previous good conduct, and who have been elevated as examples of merit, should degrade themselves into patterns of disreputable conduct and character to their Men. If the *Pride of Situation* will not save a Native Officer from such shameful habits, he must *indeed* be altogether worthless.

A salutary example has been afforded, in some recent instances, by the summary removal from the Service, by order of the Right Honorable the Governor in Council, of certain Native Officers *known* to be addicted to Drunkenness, and the Commander in Chief hereby pledges to the Native Army at large that he will invariably, without the slightest consideration for length of Service, Service in the Field, or any previous meritorious conduct whatsoever, recommend to be dismissed, or dismiss any Native Commissioned Officer, Non-Commissioned Officer, or Private, who may be proved to have disqualified himself for the profession of a Soldier by habits of Intoxication.

This Order is to be read and explained, once a month for a year, on Parade, to every Native Corps and Detachment in the Service; and translated Copies of it are to be prepared and hung up in the Barrack of every Troop, Company, and Corps, throughout the Native Army.

The General Court Martial assembled at Bangalore, whereof Lieutenant Colonel Showers is President, is dissolved.

The period of suspension awarded Cornet C. C. Ferrers, of the 5th Regiment of Light Cavalry, in G. O. C. C. of the 29th October 1827, will expire on the 1st of May 1828, and that Officer is directed to return to his duty from the day following.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

This Sentence is Confirmed, but acting according to the powers vested in him, the Commander in Chief hereby commutes the punishment of Death awarded to Joshua Fletcher, 3d Battalion Artillery, to that of Transportation beyond Seas for the term of his natural life he being born of European Parents.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

In publishing this Sentence the Commander in Chief cannot refrain from stating his dissatisfaction at the conduct of the Court—after the ferocious conduct of which the Prisoner was on the fullest Evidence convicted, he certainly could not think that Solitary Confinement to which he was at first Sentenced was an appropriate punishment, but that the nature of his Crime called for Corporal punishment, and as a proper subject of example to others, he recommended a revision of the Sentence; he could not therefore but feel and he thinks that the Army at large must feel with him considerable surprize that the same Court which in the first instance only gave a Sentence of Solitary Confinement (a punishment more properly suited to Prisoners of whose amendment any hope could be entertained) that this same Court has at once substituted for it a Sentence of Death!!!

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The General Court Martial assembled in Fort St. George of which Lieutenant Colonel C. Hopkinson, C. B. is President, is dissolved.

The above being to the prejudice of good order and Military Discipline.

The Court having most maturely weighed and considered the whole of the Evidence in support of the Prosecution, as well as what the Prisoner Jeremiah Twy, Private 2d European Regiment, hath urged in his defence, is of opinion.

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, which being to the prejudice of good order and Military Discipline, doth Sentence him the said Jeremiah Twy, Private No. 52, B Company 2d European Regiment, to suffer Solitary Confinement for the period of Eight (8) Calendar Months from such time and in such place as His Excellency the Commander in Chief may be pleased to direct.

29TH APRIL, 1828.

An erroneous opinion having gone abroad that Soldiers may be *compelled* to send their Children to Regimental Schools; the Commander in Chief feels himself called upon to correct the same as being directly opposed to the spirit of the Institution in question.

Regimental Schools were sanctioned from a motive of benevolence by Government, and are intended to afford comfort and assistance to the Men and their Families, and not to be the means of harshness and coercion. They are to be supported and promoted by all *persuasive* measures, and painted out as an advantage and an indulgence worthy of gratitude and cheerful acceptance, but in no case could it be tolerated by British Law and Justice, that the Children of the Soldier, any more than the Children of the Citizen, should be coercively taken away from him under any pretext whatsoever.

Lieutenant J. M. Ross of the 5th Regiment Native Infantry, who in General Orders of the 1st February last, obtained Leave of Absence on Sick Certificate to Cannanore, until the 15th June next, is permitted to reside on the Neilgherry Hills, during the remaining portion of his Leave.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

30TH APRIL, 1828.

Lieutenant C. A. Browne of the 15th Regiment Native Infantry, is appointed to Officiate as Deputy Judge Advocate General to the European General Court Martial, directed to assemble at Quilon, in General Orders of the 5th Instant, in the room of Captain C. D. Dun, Deputy Judge Advocate General, reported Sick.

The Native General Court Martial directed to assemble at Bangalore, in General Orders of the 10th Ultimo, and of which Subadar Major Sh... Hoossain of the 29th Regiment Native Infantry, is President, is dissolved.

1ST MAY, 1828.

Recent omissions induce His Excellency the Commander in Chief to desire, that strict attention may be paid in future to the G. O. C. C. of the 11th December 1813, and that part of the General Regulations to which it refers; requiring all Officers Sick Absent to transmit Monthly to their Corps, in sufficient time to accompany its Returns to Head Quarters, a Medical Certificate of their continued indisposition.

Commanding Officers are required to return all Officers of their Corps who fail to furnish them with such Medical Certificates "Absent without Leave," as directed in the General Regulations referred to in the General Order abovementioned.

Although the Commander in Chief directs that the established channel shall *invariably* be attended to, by all subordinates addressing their Superiors:—His Excellency at the same time *expressly desires* that whenever he may deem it necessary to order a direct communication, the Officer, Corps or Department receiving such communication shall reply *direct* to the Officer or Department making it, reporting having done so, to the immediate superior authority.

Captain G. Sinnock, of the 5th Regiment Native Infantry, is appointed to do duty with the 18th Regiment Native Infantry, until further orders.

Lieutenant T. S. Warner, of the 18th Regiment Native Infantry, is appointed to do duty with the 39th Regiment Native Infantry, until further orders.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Kamptee, on Friday the 18th day of April 1828, by order of Lieutenant Colonel Francis Walker, Commanding the Nagpoor Subsidiary Force, by virtue of a Warrant of Authority, vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Private Robert Lindsey, No. 41, Grenadier Company 2d European Regiment, is arraigned on the following Charges.

1st.—For highly disrespectful and mutinous conduct at Kamptee, on the morning of the 28th March 1828, in making use of the following threatening expressions, addressed to Lieutenant and Quarter Master H. F. Barker, of the 2d European Regiment, who had ordered him to be confined—"If you interfere with the Serjeant of the Guard's Duty, I will blow your Brains out; it is not his fault, and by God Mr. Barker the Regiment is imposed upon, and I will shoot some one, and you shall be the first man I will shoot."

2d.—For being in a disgraceful state of Intoxication when on Regimental duty, on the morning of the 28th March 1828.

The above being to the prejudice of good order and Military Discipline, and in breach of the Articles of War.

HEAD QUARTERS,
Nagpoor Subsidiary Force,
CAMP KAMPTEE,

(Signed) JOHN GIBSON, Major,
Senior Officer in Charge
2d European Regiment.

BY ORDER.

(Signed) R. J. H. VIVIAN,
Assistant Adjutant General.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Private Robert Lindsey, No. 41, Grenadier Company, 2d European Regiment, hath urged in his Defence, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of the Charge.
Finding on the Second Charge.—That the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner "guilty" as above stated, which being to the prejudice of good order and Military Discipline and in breach of the Articles of War, it doth Sentence him the

said Robert Lindsey, Private No. 41, Grenadier Company 2d European Regiment, to be placed in Solitary Confinement for a period of Six (6) Calendar Months from such time and in such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) W. GEORGE PAGE, Captain, Acting Dep. Judge Adv. General.

(Signed) ANTHONY MONIN, Lt. Col. 47th Regiment, President.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The above Sentence to be carried into Execution by the Officer Commanding the Nagpoor Subsidiary Force, in one of the Solitary Cells within the limits of that Command.

2D MAY, 1828.

Much inconvenience having arisen to the Public Service from the irregular and unintelligible manner in which Charges are framed for Trial before Courts Martial, the Commander in Chief finds it expedient to give the following directions for general observance in that respect and expects that Commanding Officers will refuse their sanction to all Charges which may not be framed accordingly for, although Military Courts are not subject to the same technical formalities which prevail in Courts of Law, yet it is obviously requisite to the ends of Justice that certain Forms should be preserved; and that all Charges should be so worded as at once to inform the Court of the matter which is to come before it and to enable the Prisoner to defend himself against a *distinct* and *specific* accusation.

All Charges on which Prisoners are to be tried should consist of three parts.

I.—*The commencement*, designating the Prisoner by his Name, Surname, Rank or Station, and Regiment to which he belongs, and showing by whose order he is placed in Arrest or Confinement.

II.—*The Statement of the Offence*, clearly, consistently and succinctly setting forth with a careful avoidance of all trivial or irrelevant circumstances the fact or facts to which criminality is attributed and invariably specifying the *Time* and *Place* where the offence was committed.

III.—*The Conclusion*, declaring the offence to be either, *generally*, "In breach of the Articles of War" or *specially*, "within the Provisions of Article IV, Section XXI, of the European, or Article VI, Section XII, of the Native Articles of War" as the case may be.

Captain R. Smith of the 18th Regiment Native Infantry having obtained leave to proceed to Europe, in General Orders by Government of the 28th February last, is to be struck off the Returns of the Rifle Corps.

The Leave of Absence granted to Lieutenant W. F. Deas, of the 6th Regiment Light Cavalry, in General Orders of the 19th January, is cancelled from the 15th February last.

3D MAY, 1828.

Recent instances having been brought to the notice of the Commander in Chief wherein the Prosecution upon Trials before European Courts Martial inferior to General, has been irregularly conducted by the Court itself, this practice is strictly prohibited as being unauthorized and contrary to the established mode of conducting Trials before Military Courts.

By the Articles of War a public Prosecutor has been provided upon Trials before General Courts Martial in the person of the Judge Advocate, and with reference to the peculiar constitution of Native Military Courts, a similar Provision has been made upon Trials before Native Courts Martial other than General, by attaching thereto an European Officer to Superintend the Proceedings, but the case is different upon Trials before Minor European Courts Martial, where there is neither Judge Advocate nor Superintending Officer to Officiate as Public Prosecutor, and upon such Trials therefore it is essentially requisite to the regularity of the Courts Proceedings that the Officer signing the Charge should appear in Court to conduct the Prosecution, or failing such Officer, the Regimental, Line, Cantonment, or Fort Adjutant, as the case may be; whose duty it will be to attend Courts Martial for such purpose.

5TH MAY, 1828.

The Leave of Absence granted to Lieutenant Colonel W. Woodhouse of the 20th Regiment Native Infantry in General Orders of the 28th February last, is cancelled from the 26th Ultimo at his request.

6TH MAY, 1828.

The Leave of Absence granted to Captain R. Cozens, of the 49th Regiment Native Infantry, in General Orders of the 28th February last, is cancelled from the 26th Ultimo, at his request.

8TH MAY, 1828.

Private Thomas Cooper of the Effective Supernumeraries, is promoted to Serjeant and appointed Serjeant Major of the 29th Regiment Native Infantry, from the 1st April last, vice Bates.

13TH MAY, 1828.

Sub Conductors H. C. Nowlan and J. Bristow are removed, the former from Jaulnah to Nagpoor, and the latter from Nagpoor to Jaulnah.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Kamptee, on Friday the 18th day of April 1828, by order of Lieutenant Colonel Francis Walker, Commanding the Nagpoor Subsidary Force by virtue of a Warrant of Authority vested in him by his Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Thomas Like, Serjeant of Effective Supernumeraries placed in confinement by order of the Officer Commanding Nagpoor Subsidiary Force, on the following Charge.

Charge.—For the wilful murder of George Stokes, Gunner of the 1st Battalion of Artillery, at Seetabuldee, on the night of the 16th March 1828, by shooting him in the Body with a Gun loaded with Ball, which caused the immediate death of the said George Stokes.

By order of the Officer Commanding Nagpoor Subsidiary Force.

Camp Kamptee, 20th March, 1828.

(Signed) R. J. H. VIVIAN, *Assistant Adjutant General.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Thomas Like, Serjeant of Effective Supernumeraries, hath urged in his defence and the evidence in support thereof is of opinion,

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner "guilty" of the Charge, doth Sentence him the said Thomas Like, Serjeant of Effective Supernumeraries to suffer Death, by being hanged by the Neck until he be dead at such time and place as His Excellency the Commander in Chief, may be pleased to direct.

(Signed) WILLIAM GEO. PAGE, Captain, Acting Deputy Judge Advocate General.

(Signed) ANTHONY MONIN, Lieut. Col. 47th Regiment, President.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

It is not but with the deepest concern the Commander in Chief feels that his duty to the public obliges him to order this Sentence to be carried into execution, notwithstanding the recommendation of the Court and the previous good Character of the Prisoner, on which it is grounded; for allowing for every irritation which the conduct of an infamous woman may have produced on the feelings of a husband, it appears in Evidence that he had in *her absence* coolly loaded a Gun with the *declared* intention of shooting her on her return, that it was with this very Gun so prepared for the destruction of another that the unfortunate Stokes (without any apparent cause but the suspicion of the Prisoner) was afterwards murdered.—Here therefore is not only the murder of one, but a previous deliberate intention to murder another so decidedly proved that nothing could justify a remission of the Sentence.

In coming however to this painful decision, it is impossible to pass over the Evidence of Henry Leattor, Gunner of the 1st Horse Brigade without animadversion. The chief proof on which the conviction rested was adduced by this Man, and yet privy as he was to the first loading of the Gun, and the declaration of the Prisoner of his intention to shoot his Wife, it does not appear that he took one single step to prevent the threatened mischief either by an endeavour to inform the Wife or by a proper report to any Officer, the criminality of such conduct can hardly be doubted and it must be every one's duty in future to bring such neglect to condign punishment.

In this instance (if this man thinks at all) the consciousness that his gross neglect has been the cause of two persons losing their lives, it is hoped will be punishment sufficient.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

His Excellency the Commander in Chief directs that the Sentence awarded Serjeant Thomas Like, of the Effective Supernumeraries, shall be carried into Execution within three days after the receipt of this Order at the Head Quarters of the Nagpoor Subsidiary Force, and in the presence of all the Troops present at Kamptee, agreeable to detailed instructions which will be furnished to Lieutenant Colonel Charles Farran, Commanding the Nagpoor Subsidiary Force, direct from Head Quarters.

His Excellency the Commander in Chief with a view to make the present example more awful, is pleased to direct that every Corps and Detachment of the Army, shall Parade as early as possible after the receipt of these Orders, to hear the present General Order containing the Crime, Sentence and Order for Execution of Serjeant Thomas Like, of the Effective Supernumeraries, read and explained in due form and according to the usual practice.

The following Act of Parliament, VI. Geo. IV. Cap. 61, whereby are rendered more effectual the Provisions of 4 Geo. IV. Cap. 81, and the Articles of War founded thereon, is published for the general information of those concerned.

ANNO SEXTO

GEORGII IV. REGIS.

CAP. LXI.

An Act to amend Two Acts; of the Fifty-eighth Year of His late Majesty, for regulating the Payment of Regimental Debts, and the Distribution of the Effects of Officers and Soldiers dying in Service, and the Receipt of Sums due to Soldiers; and of the Fourth Year of His present Majesty, for punishing Mutiny and Desertion of Officers and Soldiers in the service of the *East India* Company. [22d June, 1825.]

58 G. 3. c. 73.

4 G. 4. c. 81.

WHEREAS an Act was passed in the Fifty-eighth Year of the Reign of His late Majesty King *George* the Third, intituled *An Act for regulating the Payment of Regimental Debts, and the Distribution of the Effects of Officers and Soldiers dying in Service, and the Receipt of Sums due to Soldiers*: and whereas by an Act passed in the Fourth Year of the Reign of his present Majesty, intituled *An Act to consolidate and amend the Laws for punishing Mutiny and Desertion of Officers and Soldiers in the Service of the* East India *Company, and to authorize Soldiers and Sailors in the* East Indies *to send and receive Letters at a reduced rate of Postage*, and by certain Articles of War made in pursuance thereof, Provision is made for the care and application of the Effects and credits of deceased Officers and Soldiers in the said Company's Service: And whereas the Transmission to Regimental Agents or other Persons of the Effects or proceeds of Effects of Officers and Soldiers dying in His Majesty's Service, or in the Service of the said Company, has been found highly beneficial in securing an early Distribution of such Effects among the Relations of such Officers and Soldiers at small Expence, and many Sums are thereby saved to the relations of Soldiers, which would otherwise be, from their small amount, wholly lost; and it is therefore expedient to render the Provisions of the said recited Acts, relating to such matters, more effectual: Be it therefore enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That it shall be lawful for all Officers and Persons who may be employed or required by or under the Authority of any Articles of War in force for the Time being, either for the Officers or Soldiers in the Service of His Majesty, or for the *European* Officers or Soldiers in the Service of the said Company, to take care of or collect, or superintend and direct the Collection of the Effects of Officers or Soldiers dying in Service out of the United Kingdom, to ask, demand, and receive any such Effects, and to commence, prosecute, and carry on any Actions or Suits for the Recovery thereof, without taking out any Letters of Administration, either with any Will annexed or otherwise, in like Manner in every Respect as if such Officers or Persons had been appointed Executors, or had taken out Letters of Administration of such Effects; and no Registrar of any Court in the *East Indies*, or elsewhere in any Colonies or Possessions of His Majesty abroad, shall in any Manner interpose in relation to any such Effects, unless required or authorized so to do by any such Officers or Persons under the Provisions of this Act; any Act or Acts of Parliament, Law, Statute, or Usage to the contrary notwithstanding.

Officers and others, authorized under the Articles of War to take care of the Effects of Officers and Soldiers, empowered to collect and receive the same without taking out Letters of Administration, &c.

Effects remitted to Agents, &c. not to be deemed Assets within the Province in which they reside, so as to render Administration necessary, &c.

II. And be it further enacted, That such Effects or proceeds of Effects, when remitted to any Regimental Agent or other Person, under any Order or Regulation of the Secretary at War in that Behalf, or of the Military Secretary to the Government of any of the said Company's Presidencies respectively, shall not, by reason of coming into the Hands of such Agent or Person, be deemed or taken to be Assets or Effects within the Province in which such Agent or Person shall reside, so as to render it necessary that Administration should be taken out in respect thereof in such Province, unless Administration of any other Effects of the Officer or Soldier to whom the Proceeds so remitted shall have belonged shall have been or shall be taken out in such Province; and it shall be lawful for the Secretary at War, in all Cases relating to the Effects of any Officer or Soldier in His Majesty's Service, and for the Military Secretary to the Government of the Presidency to which the deceased Officer or Soldier shall have belonged, in all cases relating to the Effects of any *European* Officer or Soldier in the Service of the said Company, to order that any such Effects or Proceeds of any such Effects shall be remitted to any other Place where the same can be more conveniently paid over to the Person or Persons entitled thereto; and the Obedience to any such Orders by any Agent or Person to whose Hands any such Effects shall come, shall be a sufficient Discharge to such Agent or Person; and no such Agent or Person shall be liable to any Action or Suit by reason of any such Effects or Proceeds of Effects having been in his Hands, and thereafter transmitted under the Order of the Secretary at War or Military Secretary respectively in that Behalf.

Place of Remittance may be changed to suit the Persons entitled to the Effects.

Surplus only after Payment of Funeral Expences and Debts, &c., to be deemed the Personal Estate of the Deceased.

III. And be it further enacted, That it shall be lawful for the Secretary at War, in the Case of any Officer or Soldier in His Majesty's Service, and for the Military Secretary to the Government of the Presidency to which the deceased Officer or Soldier shall have belonged, in the Case of any *European* Officer or Soldier in the Service of the said Company, to order or direct the Payment of any Charges or Expenses attending or relating to the Illness or Funeral of any such Officer or Soldier, out of any such Effects or Proceeds of Effects, or out of any Arrears of Pay or Half Pay, and that such Charges

and Expences, together with all Regimental Debts and Military Payments which may be allowed under the Provisions of any Act or Acts of Parliament, or Articles of War made in pursuance thereof, shall be made out of such Effects or Proceeds of Effects, or Arrears of Pay or Half Pay, and the Surplus only, after such payment, shall be deemed the Personal Estate of the Deceased.

Regimental Officers will, hereafter, be held strictly responsible for proceeding, according to the provisions of the abovementioned Acts of Parliament and Articles of War, to secure, upon the death of any European Officer or Soldier, his Effects then in Camp or Garrison, and to appropriate the same under the directions of the Military Secretary to Government: liquidating Funeral expences and Regimental Debts, in the first instance; and afterwards, paying the Surplus, if any, to the person entitled thereto.

In furtherance of the evident intent of the Provisions of the above recited Acts, and in order to save all needless expence to the Estates of deceased Officers and Soldiers, the Right Honorable the Governor in Council hereby directs that the Military Secretary to Government shall, in no case whatsoever, require or authorize the Registrar of the Supreme Court to administer to the Estate of deceased Officers and Soldiers, except when the supplies of the proceeds of Effects, after payment of Regimental Debts, may exceed Two hundred Sicca Rupees.

It will be the special duty of Officers in Command of Corps, to see and provide that the Officers in Command under them strictly and perfectly perform the duties enjoined by the XVI Section of the Articles of War: and that a Regimental Register is duly kept of the proceeds of the Effects of deceased European Officers and Soldiers, exhibiting an account of all Receipts and Payments, and notifying the appropriation of the surplus, if any, after payment of Regimental Debts.

By order of the Right Honorable the Governor in Council.

G. O. G. 26th July 1822.

The Proceedings of the Committees, are to be conducted in strict conformity with the Regulations of the Service, the General Orders noted in the Margin, and agreeably to the Forms laid down in General Orders dated 22d September 1822, adding thereto, a Column for the "*General Number*" immediately after the Column of "Rank." The Committees are also enjoined to make separate Proceedings for *each Corps, Detachment and Department*, and particularly observing the following points.

It should be distinctly stated in the Column headed "*Why Recommended*" against the name of each Individual recommended to be transferred to the *Veteran* Establishment, that he is "*Unfit for Field, but fit for Garrison duty*," and in the case of every Individual recommended to be *Pensioned* that he is "*Unfit for any duty*," and how he became so; and the same as the case may be, respecting Men recommended to be discharged. It is not enough, that disease or injuries should be stated, leaving to be inferred, the *fitness or unfitness* of the subjects. It is also of great importance that Attestations of Commanding Officers of Corps to Character, be in no case omitted—cases not entitled under the Regulations, should be sparingly recommended by Committees and *the ground of every special recommendation distinctly stated.*

The practice adopted by General Committees, of retaining their Proceedings till the whole of the Individuals to be brought before them, have been examined, is to be discontinued, and the Commander in Chief directs that General Committees to transmit to Army Head Quarters, through the prescribed channel, their Proceedings by Corps, and Detachments, as soon as possible after the examination of the Men belonging to them is completed.

Officers Commanding Divisions and Forces in which General Committees assemble are requested to dissolve them, as soon as their Proceedings are closed, and they have examined and ascertained, that they are prepared in strict conformity to the orders upon the subject, and the President and Members ordered to return to their duty.

His Excellency the Commander in Chief calls the *particular attention* of Officers Commanding Divisions and Forces to the General Order by Government, dated 1st June 1827, relative to European Soldiers recommended to be Discharged from the Service by Invaliding &c. Committees.

Finding.—The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Kistnamah, Lance Naigue of the H Company of the Fifteenth Regiment of Native Infantry, hath urged in his defence, and the Evidence in support thereof, is of opinion,

That with regard to the First Instance of the Charge, the Prisoner is guilty of striking Jemadar Chinnoo, of the Fifteenth Regiment of Native Infantry, his Superior Officer, with a large Brick or Stone, when in the lines of the Detachment: but, that it is not proved, that he did so designedly. The Court acquits the Prisoner of the remaining part of this Instance.

That with regard to the Third Instance of the Charge, the Prisoner is not guilty, and the Court acquits him thereof.

The Court is of opinion, that the Prisoner is guilty of conduct highly insubordinate and in breach of the Articles of War, but not Mutinous, in the Instance above stated; and it doth Sentence him, the said Kistnamah, Lance Naigue of the H Company of the Fifteenth Regiment of Native Infantry, to be reduced to the Rank of Private, and to receive a Corporal Punishment of Five Hundred Lashes on his bare back, in the usual manner, at such time and place, as His Excellency the Commander in Chief may be pleased to direct.

President.

Approved and Confirmed, but the Sentence remitted.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Remarks by His Excellency The Commander in Chief.

The minor degree of guilt attached to the Prisoner by the Finding of the Court, admits of the greatest palliation, considering that the threat, was elicited by abuse, addressed to him by the Jemadar, of a nature so gross, unjustifiable and disreputable, as to degrade the Officer infinitely below the level of the Private, with whom he was disputing.

Under the circumstances of the case, and in consideration of the Recommendation very properly made by the Court, The Commander in Chief remits the Punishment awarded; and Lance Naigue Kistnamah is to be released and to return to his duty.

The conduct of the Prisoner being altogether unconnected with public duty, and exclusively originating in a Family Broil, was evidently not a matter for Investigation by a Court Martial; and had proper inquiry been made by the Commanding Officer of the Corps, previous to preferring the Charge, much inconvenience would have been saved to the Public Service.

The Commander in Chief takes this opportunity of commenting upon those habits of low scurrility and disgraceful language, which too many of the Native Officers of this Army appear to indulge in;

forgetting that they have been raised to a Situation, which calls for respectability of character and conduct, no less in private life than on public duty, and that the Soldier is not likely to afford respectful and becoming obedience on Parade to that Officer, with whom at home he has just been interchanging the low familiarities of a fellow Private, or the vulgar abuse of the lowest ranks of Society.

This Order is to be read and explained at the head of every Native Regiment in the Service; and the Native Officers informed, that any one of them who may hereafter employ abusive language, or enter into personal disputes of the disgraceful nature above alluded to, will inevitably be brought to Trial for conduct unbecoming the character of a Commissioned Officer.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Native General Court Martial directed to assemble at Quilon, in General Orders of the 31st Ultimo, and of which Subadar Mahomed Esoof of the 20th Regiment Native Infantry, is President, is dissolved.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, holden at Kamptee on Friday the 6th day of June 1828, by order of Lieutenant Colonel Charles Farran, Commanding the Nagpoor Subsidiary Force, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Veerasamy, Artificer attached to the Ordnance Department, Nagpoor Subsidiary Force confined by order of the Officer Commanding Nagpoor Subsidiary Force, on the following Charge.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Veerasamy, Artificer attached to the Ordnance Department, Nagpoor Subsidiary Force, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner "guilty" of the Charge, doth sentence him the said Veerasamy, Artificer attached to the Ordnance Department, Nagpoor Subsidiary Force, to be Imprisoned and kept at hard labour for the period of two (2) years, from such time and at such place, as His Excellency the Commander in Chief may be pleased to direct.

Approved and Confirmed, but as there does not appear to have been the slightest malice in this unfortunate case, and there is therefore so much probability of truth in the defence made by the Prisoner, the Commander in Chief is pleased to confine the effect of the sentence, to one month's imprisonment.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Officer Commanding the Nagpoor Subsidiary Force, will be pleased to carry the above Sentence into execution.
